

HealthVine OhioRISE Care Management

Who is Eligible

Your child may be eligible for OhioRISE (Resilience through Integrated Systems and Excellence) if:

- Your child is 0–20 years old and eligible for Ohio Medicaid
- Is NOT enrolled in MyCare Ohio
- Has significant behavioral health needs, as defined by:
 - An assessment with Ohio Child and Adolescent Needs and Strengths (CANS)
 - A recent history of requiring residential or inpatient mental health or substance abuse treatment

HealthVine provides care coordination for OhioRISE eligible youth in Eastern Hamilton, Clermont, Brown, Adams, Scioto and Lawrence Counties, and can help connect you to this new system for behavioral health care.

How to Connect with Our Team

Call **513-636-5007** (toll-free **1-866-996-7227**) or email **OhioRISE@cchmc.org** to learn more about getting a CANS assessment or how we can support your child.

HealthVine OhioRISE Care Management

Our care management team can help with your child's behavioral health needs.

We can:

- Provide your family with a wraparound approach to managing your child's illness
- Convene your Child and Family Team (CFT) to identify goals focused on your voice and choice
- Bring your family's informal and formal supports together to work with your therapist, teacher, pediatrician, and community partners
- Create links to services and supports
- Support transitions of care with change in care settings, graduating from the program, or aging out of services
- Formulate effective crisis and safety plans to address your child's needs
