

HealthVine Care Management

Connecting Your Child to Community
Resources and Care

HealthVine Care Management is here to help you navigate your child's healthcare needs.

HealthVine Can:

- Connect your child to a healthcare provider
- Schedule appointments
- Arrange transportation to healthcare appointments
- Help fill prescriptions
- Remove barriers preventing your child from getting the care they need

We Can Connect You with Resources for:

- Food
- Rent assistance
- Utilities assistance
- Transportation
- Housing
- Benefits at Job and Family Services

HealthVine Care Management
