

# Join the HealthVine Patient Family Advisory Council

---

*HealthVine is a Cincinnati Children's-backed organization that helps children on Medicaid in southwest Ohio with their health needs. Share your thoughts and partner with HealthVine through our new Patient and Family Advisory Council (PFAC).*

---

## Why Join?

We want to make healthcare better for all children, and we want feedback from patients and families as we work toward this goal **together**.

As a PFAC member, you will have opportunities to:

- Share experiences and ideas that will help other patients and families
- Work with the HealthVine team on special projects
- Provide feedback to shape the PFAC and make it better
- Partner with the HealthVine team to solve problems and improve child health

All members will be paid for their time.

---

## Who Can Join?

Adults and teens who are on, or have been on, an Ohio Medicaid plan.

---

## When Do We Meet?

Virtual meetings are held 6–8 pm every other month.

---

To learn more or find out how to join,  
please email [HealthVinePFAC@cchmc.org](mailto:HealthVinePFAC@cchmc.org)  
or call **513-517-1456**.
